

2022 Island Packet 349 “Soul Survivor”

\$449,000 usd.

Island Packet Yachts

Located in St. Petersburg, Florida

SV *Soul Survivor* is a 2022 Island Packet 349 *NEXT GENERATION* located in St. Petersburg, FL. Only being used for 2 sailing seasons, she has very light use and has been professionally maintained by industry professionals as well as the Island Packet Factory.

Finished in the traditional ivory and camel tan gelcoat with the light maple interior, she has the feel of a more traditional Island Packet but with all the benefits and upgrades that come with advancements in modern materials and technology.

The owner is retiring from sailing so now is your opportunity to join the Island Packet family with a near new yacht that has been fully detailed and is ready for immediate delivery.
