

## 2026 Island Packet 439 Standard Equipment List

### Hull, Deck, and Interior Fiberglass

- Solid laminate (no core) hull with integrally molded keel for strength and seakeeping. Ballast is internally installed and encapsulated.
- Cored laminate deck with molded anti-skid and bonded fiberglass interior headliner.
- Structural interior pan (IGU) with molded anti-skid in galley, heads and utility room.
- Traditional Gelcoat: ivory hull, ivory deck with camel tan molded non-skid for low glare, headliner and IGU in ivory or camel tan.
- Optional Gelcoat: graystone hull sides, off white deck with graystone molded non-skid, interior headliner and IGU in off-white or graystone.

### Cockpit and Deck

- Large cockpit with lockable storage bins, propane storage (2 X 10 lb tanks) and utility room access.
- Large sugar scoop style transom with port and starboard cockpit access via molded steps.
- Integrated 4-step, pocket style, SS transom boarding ladder w/ handholds on swim steps for boarding from water.
- Full bow rail and cockpit stern rails with integrated seats and flagpole mount w/ SS flagpole and USA flag; bow and stern LED navigation lights.
- 25" high, 1" diameter stanchions with double 316 SS, non-coated lifelines and stern gates.
- Hard 1" SS top rail from stern rails to side boarding gate stanchions, single lifelines at side boarding gates.
- Full-length oval, stainless-steel handrails along cabin top.
- Stanchions, stern rails and bow rail with G10 composite backing plates, aluminum backing plates for cleats.
- Stainless handrails on transom for boarding and as dinghy transom standoffs
- (4) Large 12" SS bow/stern cleats and chocks with chafe guards, (2) large 12" SS spring line cleats with chafe guards per side.
- (14) SS opening ports w/ screens (self-draining w/ friction hinges and chrome knobs).
- (8) overhead aluminum frame hatches with Oceanaire shades and screens
- (3) 9" high stainless-steel and red interior color dorade vents with line guards.
- (8) Hull side non-opening ports (can be deleted if preferred).
- Integrated sea hood with teak or starboard trim.
- Sand shade or gray Starboard cockpit table w/ fold out leaves.
- Sand shade or gray Starboard cockpit drink holder mounted on pedestal.
- Sand shade or gray Starboard hatch boards.
- Large pedestal w/ guard and IP logo on compass, Edson 32" SS wheel.
- 12v plug type outlet and (2) USB outlets on pedestal.
- Blue LED cockpit, transom steps and stanchion gate safety lighting (dimnable at helm control).
- Stainless Island Packet step plates on side boarding gates.
- Hot and cold freshwater retractable shower for cockpit and swim step.
- Raw water wash-down on bow.
- Black composite eyebrow: teak is optional upgrade.
- Lofrans Tigras 24V anchor windlass with helm up-down switch, up and down bow foot controls.
- (2) SS Mantus bow anchor rollers with adjustable top roller and lower shaft support.

## **Rigging, Sails, Furling and Deck Hardware,**

- Solent style rig:
  - Line operated in-mast furling main with 6:1 traveller system
  - Line operated 95% self-tacking furling jib with track forward of the mast
  - Line operated 170% furling reacher with adjustable sheet leads on track by cockpit
- Single line main and jib sheeting and dual line reacher sheeting all lead to port and Starboard primary cockpit winches.
- Selden Anodized Aluminum Mast with Antal halyard tensioning system. Anodized boom, solid boom vang w/ control line led to cockpit.
- Standing rigging includes 12 stays total in standard Solent rig.
- Running Rigging: No stretch main, jib, reacher, and spinnaker halyards. Topping lift/spare main halyard. Boom vang control line, 6 to 1 main traveler line, sheet and furling lines for main, jib and reacher.
- LED mast spreader down and up lights, port and starboard flag halyards.
- Pre-wired only for Selden electric headsail and synchronized main sail system allowing for future installation of 3-speed electric cabin top winch, internal mast furling motor and headsail furling motors.
- Selden Furlex headsail line furlers for jib and reacher.
- Quantum crosscut Dacron main and 95% jib sails w/ choice of Sunbrella UV, fusion 170% reacher sail w/ white UV protection.
- All Harken deck hardware and main sheet traveler with six to one purchase.
- (2) Harken size 40 2-speed cabin top winches (port cabin top winch deleted with Selden synchronized main sail system).
- (2) Harken size 60 2-speed primary winches.
- (2) Harken size 35 2-speed furling line winches (deleted with Selden electric head sail furlers).
- Spinlock cabin top line stoppers and main and jib sheet stoppers.

## **Interior**

- Integrated solid wood entry steps on engine access door with gas shocks to hold up after opened.
- Easy access to engine from front, side, and rear opening compartments with light.
- Lighting in bilge compartments where needed.
- Numerous SS overhead and bulkhead mounted handholds.
- Corian countertops in galley and head (color options available).
- Overhead, under galley counter and under gunnel LED rope lighting on dimmers.
- Customizable port side layout in salon.
- All outlets in salon, forward stateroom and aft stateroom include integral USB-A plugs.
- Seagull freshwater filter with outlet at galley and cold-water side in heads.
- Lights in many lockers and bilge compartments.
- Sapele interior wood with 4 coats of satin varnish, (optional light maple wood).
- Solid wood louvered doors for ventilation for all cabin and cabinet doors.

## **Forward Stateroom**

- Queen island berth with two hanging lockers, shelf locker and under berth storage.
- Cedar-lined hanging lockers with automatic light when door is opened, solid wood louvered doors for ventilation.
- Solid Sapele and Light Maple sole.
- Numerous overhead LED lights.
- Pre-wired for fans.
- Pillow top, tall coil 7 ½" inner spring mattress.

### Forward Head

- Raritan Elegance electric fresh and raw water flush macerating toilet with holding tank.
- Raritan 10-year odor free sanitation hose.
- Stand up shower and sitting bench.
- Bi-fold shower door with waves and logo pattern.
- Corian counter with frosted or white vessel, or under mount Corian or SS sink.
- Vanity cabinet storage with mirror above sink, trash bin and drawer storage.
- Cold water at sink is also filtered with Seagull water filter.

### Main Salon and Galley

- Full settee to starboard w/ slide out to convert to full berth.
- Under and behind settee storage, ship's papers file cabinet .
- Large bulkhead mounted single leaf IP foldable salon table with glass and bottle storage behind.
- Seagull filtered water faucet at galley sink.
- Solid Sapele and Light Maple varnished sole.
- Dickinson Mediterranean 3-burner gimbaled propane stove/oven with Sapele/Maple stove cover.
- Vitrifrigo DW-100 3.3 cubic feet refrigerator, one drawer unit.
- Dish storage and utensil drawers.
- Under counter storage for dry goods.
- Multiple Corian choices for counters including back splash and fiddles.
- Seamless Corian or under mount SS galley sink.
- Corian sink cutting board (stows in cabinet).
- Pull out trash bin.
- One cubic ft. microwave (can be deleted for optional storage cabinet).
- Under counter dimmable lighting.
- Galley under sink cabinet with automatic 12V light.
- (8) total galley storage drawers, (6) with dovetail joinery construction.

### Port Aft Stateroom

- Large double berth with pillow top, tall coil 7 ½" inner spring mattress.
- Large cedar-lined hanging locker with louvered door for ventilation, and automatic light.
- Shelf locker with louvered door.
- Solid Sapele and Light Maple varnished sole.
- Numerous under berth storages compartments.
- LED lights on dimmer.

### Port Aft Head

- Raritan electric fresh and raw water flush toilet into holding tank.
- Raritan 10-year odor free sanitation hose.
- Stand up shower and sitting bench.
- Sink cold water is also filtered with Seagull water filter.
- Tri-fold shower door with waves and IP logo pattern.
- Corian counter with clear frosted or white vessel or under mount Corian or SS sink.
- Vanity cabinet storage and mirror above sink.

### Starboard Aft Utility Room

- Finished as a walk in utility room.
- Vitrifrigo DW-100 3.3 CF freezer, one drawer unit.
- Storage cabinet for spares/tools ,etc.

### **Auxiliary Power, Mechanical and Tankage**

- Yanmar 80hp common rail/smart diesel engine,
- Yanmar YD42 Multi-Function Color Display Engine Panel.
- Switchable Dual Racor fuel filters/water sensor and electric primer pump.
- Engine room exhaust blower.
- Isotherm SS 12-gallon water heater.
- Wrenches for adjusting the engine shaft log and rudder log.
- Aircraft-grade aluminum diesel tank – 160 US gallons.
- Fiberglass water and holding tanks- 220/50 US gallons.
- Edson rack and pinion steering system w/ stainless steel emergency tiller and rudder stops.

### **Electrical Systems**

- (4) house batteries, 125ah each Lifeline 31XT AGM (with option for 4 additional or lithium).
- (1) dedicated starting battery, 125ah Lifeline 31XT AGM charged from Victron Orion 12V to 12V charger.
- (2) 30-amp Smartplug shorepower inlets with 50' cords with ProSafe Galvanic Isolator.
- Networked Victron AC and DC electrical system:
  - Victron BMV-712 Smart Battery Monitor
  - Victron Multiplus, 3000 watt max inverter/120 AMP charger
  - Balmar 170 Amp Engine Alternator controlled by Wakespeed WS500 regulator
  - Victron Cerbo GX with Touch50 display/interface touchscreen
    - Receives information from battery monitor, 120V charger/inverter, alternator regulator, optional solar charge controller for display on touch screen
    - Receives information from fuel, holding and freshwater tank level sensors for display on touch screen.
    - Allows for remote monitoring of the electrical systems when connected to an internet source via the Victron Remote Manager (VRM).

### **Quality, Craftsmanship and Superior Materials**

- Customized IPY owner's manual w/memory stick loaded with equipment manuals.
- Coosa composite board in place of marine plywood.
- Aqua-Steel and G-10 backing plates versus aluminum.
- Aqua-plas composite instead of plywood around port lights.
- Marlon thru-hulls and Marlon ball valves, engine, generator and air units with freshwater flush attachment.
- Best Hydra shield color retention gelcoat.
- Tri-axial woven roving fiberglass cloth, high quality vinylester resins.
- Solid wood soles, doors, drawers, and trim, locking sole drop boards.
- (4) coats satin varnish on interior wood.
- Dovetail drawer construction, Cedar-lined hanging lockers w/ automatic lighting upon opening.
- Divinycell coring on deck, core-mat on headliner and IGU.
- Premium marine grade water hoses and marine grade tinned wiring.
- Raritan 10-year odor guarantee sanitation hose.
- Scandvik sink and shower faucets.
- Belt and suspender bonded chainplates made with 316L annealed stainless.
- Vacuum bagged resin infused rudder construction.
- Protected rudder with heel strap.

**Standard Equipment included at \$629,000 Base Price  
Effective 09/01/24 through 12/31/24.  
Specifications are subject to change without notice.**
