

2026 Island Packet 42 Motor Sailer Standard Equipment List

Hull, Deck, and Interior Fiberglass

- Solid laminate (no core) hull with integrally molded keel for strength and seakeeping. Ballast is internally installed and encapsulated.
- Cored laminate deck with molded anti-skid and bonded fiberglass interior headliner
- Structural interior pan (IGU) with molded anti-skid in heads and engine room
- Traditional Gelcoat: Ivory hull, ivory deck with camel tan molded non-skid for low glare, Headliner and IGU in ivory or camel tan.
- Optional Gelcoat: Graystone hull sides, off white deck with Graystone molded non-skid, interior headliner and IGU in off white or Graystone.

Cockpit and Deck

- Large cockpit with aft and starboard side boarding doors and hatch into lazarette
- 72 CU FT storage area/lazarette under aft cockpit accessible via double opening hatches creating large opening with 12-volt lighting and floor grating
- Starboard Side cockpit door
- SS cockpit/salon door with electric window at galley, providing a full opening between the cabin to aft deck
- Fiberglass swim platform
- SS 4 step boarding ladder on swim platform
- Starboard side Dutch style door from helm to starboard side deck
- 1" SS tube bow and side rails with boarding gates port and starboard
- Full length stainless-steel handrails along cabin top and foot rail on hard top for safety.
- Stanchions and bow rail with G10 composite backing plates, aluminum backing plates for cleats
- Large SS bow/stern cleats and chocks with chafe guards, two large SS spring line cleats with chafe guards per side
- (6) SS opening ports w/screens (self-draining w/friction hinges and chrome knobs)
- (5) overhead aluminum frame hatches, (3) with Oceanaire shades and screens
- (2) 9" high stainless-steel and red interior color dorade vents with line guards
- (6) Hull side non-opening ports- can be deleted if preferred
- Blue LED dimmable courtesy lights in cockpit, cockpit to deck steps and side decks
- Dimmable overhead cockpit lights.
- Stainless Island Packet step plates on side boarding gates
- Hot and cold freshwater retractable shower for cockpit and swim platform
- Raw water wash-down on bow
- Black composite eyebrow: teak is optional upgrade
- Space for solar panels on hard top
- Lofrans Tigres 24V anchor windlass with helm up-down switch, up and down bow foot controls
- (2) SS Mantus bow anchor rollers with adjustable top roller and lower shaft support.

Rigging, Sails, Furling and Deck Hardware,

- Solent style rig with Selden electric furling on all sails:
 - In-mast furling main operated from salon
 - 95% self-tacking furling jib with track forward of the mast operated from salon
 - 170% Reacher is optional.
- Single line main and jib sheeting to winch in the salon.
- Selden Anodized Aluminum Mast with Antal halyard tensioning system. Anodized boom, solid boom vang w/control line led to cockpit
- Standing rigging includes 10 stays total in standard Solent rig.
- Running Rigging: No stretch main, jib, Reacher, and spinnaker halyards. Topping lift/Spare Main halyard. Boom vang control line, sheet for Main and Jib.
- LED mast spreader down and up lights, port and starboard flag halyards.
- Quantum crosscut Dacron main and 95% jib sails w/choice of Sunbrella UV.
- (1) Selden E40 3-speed winch in salon for synchronized mainsail furling/jib and mainsail trim controlled by buttons in salon.
- Spinlock rope clutches in salon for mainsheet, jib sheet, boom vang, and mainsail outhaul

Interior

- Galley, settee with dining table and helm in salon pilot house
- Two cabins and two heads below
- Sapele interior wood with 4 coats of satin varnish, (optional light maple wood)
- Solid wood louvered doors for ventilation for all cabin and cabinet doors
- Easy access to engine room from salon or under stairs
- Numerous SS overhead and bulkhead mounted handholds
- 12v and USB outlet at helm
- Corian countertops in galley and heads (color options available)
- Overhead and under gunnel LED lighting on dimmers
- All interior lights are LED
- Lighting in bilge compartments where needed
- USB outlets in salon, forward stateroom and guest stateroom

Main Salon and Galley

- Hatches or sunroof over helm area for sail visibility
- L-settee to port, drop-down table to convert to full bunk.
- Llebroc high back slim model SS helm seat.
- Storage under and behind settee
- Sapele and oak varnished sole
- Electric galley w/ 2-burner induction cooktop and Smart oven/microwave/convection combo below
- Vitrifrigo DRW180A all in one refrigerator/freezer two drawer unit
- Dish rack and utensil drawers
- Large pull-out drawer storage for dry goods
- Seamless Corian galley sink
- Sink cutting board filler insert in Corian matching the countertop (stows in cabinet)
- Trash bin and recycle bin.

Forward Stateroom

- Queen island berth with two hanging lockers, shelf locker and under berth storage
- Cedar-lined hanging lockers with automatic light when door is opened, solid wood louvered doors for ventilation
- Solid Sapele and Light Maple sole
- Numerous dimmable LED lights
- Pre-wired for fans
- Pillow top, tall coil 7 ½" inner spring mattress

Owners Head

- Raritan electric flush raw and freshwater toilet
- Raritan 10-year odor free sanitation hose
- Large stand up shower and sitting bench
- Bi-fold shower door
- Cold water at sink is filtered with Seagull water purifier
- Corian counter with frosted glass or white vessel sink
- Vanity cabinet storage with trash bin
- Large bulkhead mounted oval mirror

Port Aft Stateroom

- Large double berth with pillow top, tall coil 7 ½" inner spring mattress
- LED lights on dimmer
- Under berth storages compartments
- Hull side storage lockers
- Large hanging locker with drain for foul weather gear and fits the optional washer/dryer combo unit.
- Smaller cedar lined hanging locker with louvered door for ventilation and automatic light when door is opened.

Port Head

- Raritan electric fresh and raw water flush toilet into holding tank
- Raritan 10-year odor free sanitation hose
- Sink cold water is also filtered with Seagull water filter
- Corian counter with clear frosted or white vessel sink
- Vanity cabinet storage and mirror above sink

Auxiliary Power, Mechanical and Tankage

- Yanmar 110hp common rail/smart diesel engine with electronic engine controls,
- Yanmar YD42 Multi-Function Color Display Engine Panel
- Switchable Dual Racor fuel filters/water sensor and electric pump for priming engine or transferring/polishing fuel between forward and aft fuel tanks
- Isotherm SS 12-gallon water heater
- Aircraft-grade aluminum diesel tank – 173 US gallons
- Holding tanks- two 50 gallon tanks; one for each toilet with separate macerator pumps
- Fiberglass water tanks – two 65 US gallons (option to add one 50-gallon tank)
- Seagull water purification system with dedicated faucet at galley sink and on cold water side of faucets in the heads
- Edson rack and pinion steering system w/stainless steel emergency tiller and rudder stops

Engine Room

- Accessible from salon day hatch or from under lift up stairs leading from salon to cabins
- Ample LED lighting
- Easy access to fuel filters and raw water strainers

Electrical Systems

- (4) house batteries, 125ah each Lifeline 31XT AGM (with option for 4 additional or lithium)
- (1) dedicated starting battery, 125ah Lifeline 31XT AGM charged from Victron Orion 12V to 12V charger
- (2) 30-amp Smartplug shore power inlets with 50' cords with ProSafe Galvanic Isolator
- Networked Victron AC and DC electrical system
 - Victron BMV-712 Smart Battery Monitor
 - Victron Multiplus 5000 watt max inverter/120 AMP charger
 - Balmar 170 Amp Engine Alternator controlled by Wakespeed WS500 regulator
 - Victron Cerbo GX with Touch50 display/interface touchscreen
 - Receives information from battery monitor, 120V charger/inverter, alternator regulator, optional solar charge controller for display on touch screen
 - Receives information from Fuel, Holding and Fresh Water Tank level sensors for display on touch screen
 - Allows for remote monitoring of the electrical systems when connected to an internet source via the Victron Remote Manager (VRM)

Quality, Craftsmanship and Superior Materials

- Customized IPY owner's manual w/memory stick loaded with equipment manuals
- Coosa composite board in place of marine plywood
- Aqua-Steel and G-10 backing plates versus aluminum
- Aqua-plas composite instead of plywood around port lights
- Marelon seacocks below the waterline, engine, generator and air units with fresh water flush attachment.
- Best Hydra shield color retention gelcoat
- Tri-axial woven roving fiberglass cloth, high quality vinyl ester resins
- Solid wood soles, doors, drawers, and trim, locking sole drop boards
- (4) coats satin varnish on interior wood
- Dovetail drawer construction, Cedar-lined hanging lockers w/ automatic lighting upon opening
- Divinycell coring on deck, core-mat on headliner and IGU
- Premium marine grade water hoses and marine grade tinned wiring
- Raritan 10-year odor guarantee sanitation hose
- Scandvik sink and shower faucets
- Belt and suspender bonded chainplates made with 316L annealed stainless
- Vacuum bagged resin infused rudder construction
- Protected rudder with heel strap

Preliminary Standard Equipment included at \$699,000 Base Price
